Hi, my name is Herbert Polite. I go by Herb. I am 25 years old.

I came to the Florida School of Massage in the winter of 2013 in order to find a new career. I thought massage was a really good choice for me, but it took me a while to even realize that it was an option I had.

Once I got the opportunity to come to FSM, it was a no-brainer. I just wanted to go here really badly.

It represented a way for me to heal and also to facilitate that healing in others.
